

Course Objective

The prime factor responsible for changes and advancement of technology are Engineering Research and Development activities and it plays an important role in the economic development of a country. The economic reforms and liberalization measures initiated in the country brought in global presence with many major firms setting their design and manufacturing base in India. Even though a fully literate state with many engineering institutions the contribution to research and development is in its infancy. Developing a research culture needs a group of researchers and an atmosphere. The centre for engineering research and development (CERD) provides the platform for the faculty to pursue their interest in applied research.

The objective of this workshop under the sponsorship of CERD is to motivate the faculty and students in the respective area of research. The workshop aims to give an idea, how to become a good researcher. The different steps involved in research are also being discussed.

Course Content

- Research Formulation
- Design and Methods
- Data collection & Analysis
- Statistical packages
- Reporting & Thesis writing.

Course Faculty

Experts from various research institutions.

Eligibility

The course is meant for faculty of Engineering and Science who are working in Engg Colleges. The faculty from self financing Colleges will have to pay Rs.1000/- as Demand Draft drawn in favour of The Co-ordinator 'Research Methodology' payable at SBT, Engg College Branch, Trivandrum. Confirm your admission by sending a softcopy of application form duly recommended by head of institution as advance copy. Admission will be offered on first come first serve basis.

How to apply

Duly filled application form in prescribed format, duly recommended /sponsored by the competent authority along with the DD should reach the coordinator on or before 28th December 2011.

Important dates: Last date for receiving applications: 28/12/2011
Intimation of selection/regret: 2/01/2012

A WORKSHOP ON RESEARCH METHODOLOGY 6th & 7th January 2012 Registration Form

Certificate

Certified that the information furnished above is true to the best of my knowledge and belief. I agree to abide by the rules and regulations governing the conduct of this program.

Signature of the applicant:

Sponsorship certificate

Certified that
Mr./Mrs.....is
an employee of our institution and is
hereby sponsored for the Workshop
on 'Research Methodology' sponsored
by CERD at College of Engineering
Trivandrum on 6th & 7th January
2012

Mr/Mrs
will be permitted to attend the course fully
if selected.
