**POST GRADUATE
THESES PRESENTATION**

Presentation of posters based on thesis work of outgoing PG students is being organized on 18th August 2011 at the Diamond Jubilee Auditorium of the College from 9.30 am to 4.00pm. Posters of 152 theses are being exhibited. The presentation is envisaged as an academic process which provides a debate of the research work in an informal atmosphere so as to enable interaction between researchers and experts from industry. Inauguration of the programme is scheduled at 9.30 am at the Venue.

With great pleasure we invite you to attend the function and inspire the students with your valuable suggestions.
